President's Message

Last Monday we enjoyed a great night at the Rotary Club of Camberwell's Art Show. The quality and the presentation of the paintings were impressive. One of our members exhibited a shrewd and informed eye, purchased a painting that was later to receive one of the highest commendations, and brought the art show to profitability.

The Rotary Year Ahead

I have been asked to speak about my vision for our Club and my leadership objectives. This is difficult because my preferred style is consultation and collaboration, and any vision is, I hope, our vision. Over the last six months Bill, Greg, John and I have sought input from Club members, reviewed our membership, income, projects, social activities and Club management, and proposed a strategy that was circulated and adjusted to reflect feedback. There are no radical changes, more the ongoing refinement of a good Club. This Monday I will briefly speak about some projects identified in the strategy that are now underway. If there is interest, I can present more details of our strategy at a later date.

The Canterbury Rotary Lunchers

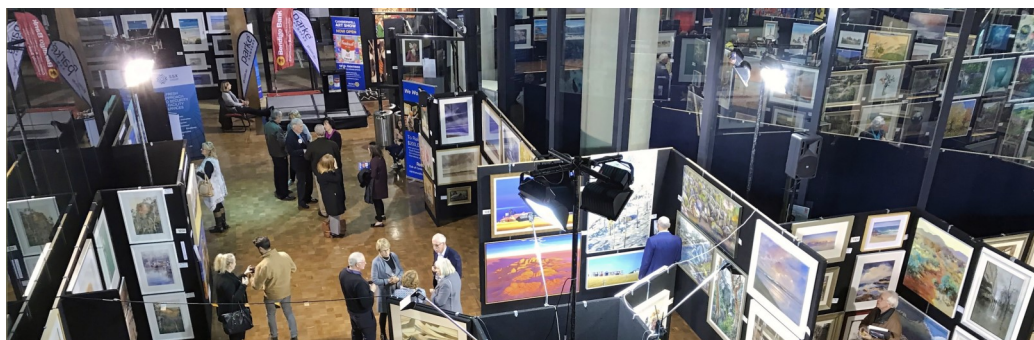

The next Canterbury Rotary lunch will be at the Box Hill RSL, 26-28 Nelson Road, Box Hill on Wednesday 18th July at the usual time of 12:30pm. There is free car parking for diners with the car park entrance from Nelson Street. The Box Hill has excellent meals and is fully licensed with drinks available at reasonable prices. Please let Graham Bishop know if you are coming so that he can reserve a table at the very popular venue graham.bishop@canterburyrotary.org or mobile 0412 154 540.

The Next Speaker - Ken James

Ken James is a retired secondary school teacher and for him books and history have always held a great importance. In 2013 Ken collaborated with Pam Baragwanath to research the histories of almost 1000 Mechanics' Institutes around Victoria. The resulting publication, 'These Walls Speak Volumes: a History of Mechanics' Institutes in Victoria', won the 2016 Victorian Community History Award.

At the meeting on Monday I will have the pleasure of inducting Tony Laycock as the newest member of the Rotary Club of Canterbury.

Steve
