The Annual General Meeting

The Next Speaker - Evan Tattersall

Evan Tattersall has more than 30 years experience in construction, working across a number of sectors including transport and building. He has worked on a number of major projects including the Craigieburn Rail Extension project, the Multipurpose Venue Sports Stadium (Hisense Arena), Western Ring Road and the Fulham Correctional Centre. Prior to his appointment as CEO for the Melbourne Metro Rail Authority, Evan worked on the Regional Rail Link project, directing the project works in the inner city from Southern Cross to Footscray.

The Metro Tunnel will transform public transport above and below ground, including Melbourne's tram network. The Metro Tunnel will free up the City Loop, allowing more trains to run at peak times on the Upfield, Craigieburn, Sunbury, Frankston, Pakenham, Werribee and Sandringham lines. The new stations will relieve pressure on trams along Swanston Street and St Kilda Road, which are the busiest tram routes in the world.

The Christmas Party

DATE	Monday 19th December 2016
WHERE	David Robinson's home, 1/4A Gascoyne Street, Canterbury
COST	$25 per head, BYO drinks
BOOKING	As this will be a catered event, we will need numbers and payment at least a week prior to the Christmas Party.
