Sarah Prossor

President's Message

At our Monday meeting another of our very own members, Sarah Prossor, provided us with a most informative presentation and discussion on her own field of vocation, Stem Cell Research. Thank you Sarah.

We had the pleasure of quite a number of guests: Ryan Bartlett, Lyn Read, George Dolezal and past member, Ray Thomas. And from the Rovers, there to provide support for their fellow Rover and our speaker, we had Mark Biyks and Olivia Bridger. The Rovers are always very welcome.
We also had partners Karin Simpson and Jennie Simpson and, visiting from the Rotary Club of Balwyn, Gill Nerzvinskis.

The Annual General Meeting

The AGM was also held with John Braine chairing the event. This included nominations and election of the following office bearers for the 2018-2019 Rotary Year:

President	Steve Wylie
President Elect	Lili-Ann Kriegler
Secretary	Neil Williams
Treasurer	Andrew Mastrowicz
Director Club Service	Bill Granger
Director Community Service	Camela Dimasi
Director International Service	Greg Vero
Director	John Braine

Thank you to all the above members for assisting in progressing the Club in the following year.

The Camberwell High School Presentation Night

Last week, I attended the Camberwell High School Presentation Night. The Rotary Club of Canterbury supports several students by way of a Scholarship Program, and this year we awarded Scholarships to Elspeth McKissock and William Lane from year 10, and Anderson Birchall and Angus Streat from year 11. Anderson Birchall was also elected Arts captain for next year, and Angus Streat was elected School Captain. Congratulations to Angus and Anderson on a great achievement.

The Next Speaker - Ryan Bartlett

At the next meeting Ryan Bartlett will talk about healthy lifestyle options. Ryan works in the health and fitness industry and has become an expert in weight loss, fitness training and nutrition. Ryan has a passion for helping and educating people about the right nutrition and training specific to their life circumstances and priorities. He has seen people transform their lives and achieve things that they themselves never believed possible.

Rob
