President's Message

Yet another great speaker, Veda Surapaneni, who has completed a 12-day National Youth Science Forum in Canberra. Veda spoke passionately about her fabulous experience and about the large number of new, like-minded friends at the NYSF.

The National Youth Science Forum is a competitive summer school program dedicated to exposing Year 11 students who are heading into Year 12 and thinking about a career in science, engineering and related disciplines to major scientific institutions and researchers, so that they may make more informed choices for their future endeavours. They are also given training in time management, interview skills and public speaking.

Veda Surapaneni

Over many years our Rotary Club of Canterbury has sponsored a number of students through this very worthwhile program.

Glenallen Students at Camp Getaway

Bill Granger and Annette Brownscombe spoke about their wonderful experience last week at Camp Getaway, near Bendigo, where they catered for seven children from the Glenallen School, their teachers and support staff.

The Glenallen School caters for students with physical disabilities and severe health impairments, while providing learning programs catering for a broad range of intellectual abilities. Students have complex needs and often multiple disabilities. Transdisciplinary teams including teachers, physiotherapists, occupational therapists and speech pathologists work together to plan, implement and evaluate individual student focused learning programs. Other support staff include a music therapist, nurses, a community wellbeing officer, program assistants and disability support workers.

The District 9800 Changeover

I would welcome any members and partners to join me in the forthcoming District Changeover on Sunday, June 3, in Brighton. If you wish to come, use the link in the attached flyer www.trybooking.com/367423 and mention the Rotary Club of Canterbury so that we may sit at the same table.

Canterbury Rotary Changeover Night

Sadly, I will be relinquishing my post as PRESIDENT with Steve Wylie taking over at our Changeover Night on Monday 25th June. This will be a classic event being held at the newly refurbished Kew RSL, 63 Cotham Rd, Kew. I encourage all Club Members and Friends of Rotary to attend a night that is always exciting, with entertainment, dancing and fabulous food. See the invitation attached to the bulletin - save the date and book in early on the following link! Bookings: www.trybooking.com/384551

Next Monday - Restaurant Night at Di Palma's

The Di Palma's Restaurant Partners and Friends Social Evening is on 21st May. The address is Di Palma's Restaurant, 684-690 High St, Kew East. The cost is \$35 per head for a night of fabulous food, with partners and friends. This evening has been organised by Ross Merolli, so contact him if you have any queries merolli@bigpond.net.au or mobile 0418 334 173.

We will gather at the restaurant from 6:00pm with the meal starting sharp at 6:30pm.

The Canterbury Rotary Lunchers

The next lunch will be at the Rotary Lunchers favourite Malaysian Restaurant - "Jazz Ria", 228 Whitehorse Road, Balwyn on Wednesday 23th May at the usual time of 12:30pm.

A great little restaurant with authentic Malaysian flavours - this is a gem and the lunch time specials are a tasty bargain. For example, you could have a two course warming winter lunch of spicy 'Hot and Sour' soup followed by Kantan chicken - boneless breaded and fried in a sweet sauce with just a slight hint of ginger to give it the faintest amount of heat. Jazz Ria is not licensed, so BYO.

Please let David Zrna know if you are coming david.zrna@canterburyrotary.org mob 0467 033 092.

This year the District Changeover is celebrating our District and all we have achieved together – Rotarians and Clubs, with assistance and support from the District Leadership Team.

There will be fun, special projects and Rotarians honoured.

Entertainment by our own sensational “Barking Dogs” with Sue Foley.

Dress to impress but don't feel you need to be uncomfortable, AND bring your dancing shoes.

In true Rotary style, there will be funding opportunities for two projects of \$1,000 each. Submit a short, informal project plan, register a table of 10 before May 18th. Be ready to claim the prize and announce the project to all our District Rotary friends. Maybe you will gain support from other Clubs and possibly receive a Foundation District Grant 😊

as we whoop it up at “The International” in Brighton.**
