President's Message

Thanks to Ross Merolli for organising a fabulous evening at Di Palma's Restaurant in Kew East. We had nearly 50 members, partners and friends of Rotary enjoying delicious food and great conversation. Ross and the owners and staff of Di Palma's Restaurant should be congratulated on a truly wonderful and special evening.

The Salvo's Pronunciation Classes

Last week, John McCaskill gave a presentation at a Pronunciation Class at the Salvation Army Community Centre in Bowen Street, Camberwell, where he provided valuable instruction to about 20 new immigrants on how to prepare and present at job interviews.

For the last two years, our Club has been instrumental in assisting the Salvos by mentoring and guiding new Australian citizens with CV preparation, interview guidance and finding suitable employment. Michael Chong and John have been active in this program from the start with the participants in the Salvos pronunciation classes…. and several of our members have been able to offer their knowledge, experience and skills to provide valuable mentoring. We currently have around six young professional people seeking mentoring and assistance. Carmela will be announcing details shortly at our Club meeting.

Norman Gale, Director of Community Engagement for the Salvation Army, has thanked our Club for providing funding for the program assisting new arrivals in pronunciation.

The Speaker Next Monday - Stephen Marantelli

We will be back at The Bass Centre for our next meeting on May 28, with our Guest Speaker Stephen Marantelli discussing issues around the relationships of American slaves and Indians to the American Constitution, and Australian Aboriginals to the Australian Constitution. Stephen is a Barrister and Author with a special interest in American, Australian and British history, and music (in particular the drums).
